## **What To Do Right Now:**

If you have not already done so, please register with our local Referee website: [www.skagitrefs.org](http://www.skagitrefs.org) . Toward the middle of the home page, click on the link for the “Registration” form. Then, fill in the appropriate information (the USSF ID, Grade, and UBI spaces can be left blank).

## **The Next Step: Registering With WASRC**

Please get registered with the Washington State Referee Committee (WASRC). After establishing your profile, Please get registered for this clinic. The clinic number is: 1W-0818-N08-0072 . Please do this right away as space is limited and this clinic is displayed and available to anyone statewide.

## **To Register With WASRC:**

1. Go to the Washington State Referee Committee (WASRC) website: [www.wareferees.org](http://www.wareferees.org) . On the header bar, click on: Instruction > Clinic & Events Schedule
2. Click on the drop down menu and select: Entry - Never been a USSF Referee
3. Find our clinic (1W-0818-N08-0072 ) from the list provided.
  - a) On the far right, click on “Register with WA Referees”
4. Follow all instructions. Write down your user ID and Password. You will need this in the future.

If you are having trouble navigating the WASRC site to get registered, here is a link to our “tutorial” for help: <https://www.skagitrefs.org/files/WASRC%20ELC%20Registration%20Tutorial.pdf>

## **After Registering With WASRC:**

1. Complete **all** of the on-line training modules on the WASRC website. This may take as long as eight hours, based on the student's familiarity of the Laws of the Game (most students only need 2 to 3 hours). All modules do not have to be completed in one session. However, once you start a module, you must complete it to receive credit. If you stop a module before finishing, you will have to re-take the entire module. (Do **NOT** take the training modules via the USSF website. If you do, you will not receive credit for them.)
2. If you need instructions for completing the on-line modules, visit the following link: <http://www.skagitrefs.org/files/Instructions for Online ELC Course.pdf>

**The On-Line Modules MUST be completed 3 days in advance (BY August 16th, at 8pm!!) in order to attend the classroom clinic!!**

Waiting for the “last minute” is NOT advised. If you wait too long and there is a glitch/problem with your scores posting to the WASRC site, there may not be enough time to get things fixed before the clinic. Your scores must be posted to the WASRC site before the classroom clinic. This is an automated process and we do not have any local ability to control/modify this. So...Complete the on-line training right away to avoid problems.

## **Cost and Fee Information:**

\$70.00 for youth-age students, \$73.50 for adult students – Paid on-line when you register at [wareferees.org](http://wareferees.org) (\$55 for 1<sup>st</sup> year USSF registration fee + \$15 Clinic Fee (+ \$3.50 for background check of adult students)).
